Thanks. If OIT needs a two week notice I will look into using patch cords from the jacks you are currently using.

Steve,
Mary Wiseman from OIT will contact you. Remember to replace phones.

Eric,

Everything pretty much hinges on the fire alarm test passing on Tuesday. If it passes I will work with Jim to schedule the move. Probably Thursday or Friday.

Jim...Can you please let me know when OIT will be able to move the phones lines back to your permanent offices? We need to coordinate that too.

Thanks,

Stephen

Do you have a day and time you want to do this? It shouldn't take long for me to move things and set them back up in the new sapce, so I can come by for a couple of hours if I know when the move will be.

Eric,

Would it be possible for RGS to move the equipment back without you? If we need someone from DPH is there anyone else that might be able to come by? Sorry to bother you but I am being pressured to move Jim and Sharon ASAP. I hope you enjoy your time away. Take care.

Thanks,

Stephen

Stephen,

Unfortunately, I am off all next week. I will be back on Tuesday Jan. 4th and could come out that morning.

Eric,

If the fire alarm test passes I can move Jim and Sharon back into their new offices. Can I/we arrange to have the hardware relocated sometime next week? If all goes well and it is convenient for Jim and Sharon I'd like to move them late next week. Please let me know if this works for you?

Thanks,

Stephen
